July 13, 1977

To: AF - Mr. Richard Moose

From: D/HA - Patt Derian

Dick:

Here are the Argentine Hill interviews. These magazines have enormous circulation. The daily press gave very heavy play to the Castro story from Mexico. If he were the most ardent supporter of the policy, he still starts behind as a consequence of his remarks. He may have thought he was being noncommittal. I don't think so; Argentina doesn't think so.

Will he be invited to come in to talk?

Attachment:

Gente Magazine.
